
LUTHERAN CHURCH–CANADA

RESOLUTIONS

RESOLUTION 90.1.06

To Study Roles For Men And Women In Church And Home

(Ref.: Overture 1.06)

WHEREAS men and women are under ongoing pressure and tension because of cultural changes; and

WHEREAS this situation contributes toward confusion about expectations of men and women, especially in relation to their roles in church and family; therefore be it

RESOLVED that Lutheran Church–Canada encourage congregations to study the biblical teachings on roles for men and women in the church and at home; and be it finally

RESOLVED that as a result of this study, congregations encourage men and women to realize the responsibility and privilege they have to serve the Lord whether in the church or at home and seek to demonstrate their conviction through greater involvement at church and in the family.

Adopted, Session 7
