**EDITOR,**  
*THE CANADIAN LUTHERAN*

**Mathew Block**  
[editor@lutheranchurch.ca](mailto:editor@lutheranchurch.ca)

MANITOBA

If an article is theological in content, or a longer factual account, we classify it as a “feature” story. Such stories can be Christian reflections on current events, teaching articles about our theology, discussions of contemporary culture in the light of faith, and more. Please see past issues of *The Canadian Lutheran* for more examples. Please forward feature article submissions to the magazine’s main editor, Mathew Block, with the subject line “Canadian Lutheran article.”
