

## ERRATA NOTICE

The initial print version of *Missouri North: The History of Lutheran Church–Canada* (2022) which was distributed at Lutheran Church–Canada’s 2022 Synod Convention contained three errors:

1. An incorrect date is given in the caption for a photo of LCC’s missionaries to Ukraine which appears on page 139 and the cover. The caption (which appears on 139 as well as on page 253 in the “On the Cover” section) should be dated “circa 1992” not “circa late 1990s”.
2. Page 162 includes another incorrect date. Rev. Keith Haberstock returned to Canada in 1998 not 2003.
3. A correction has been made on page 253 in the “On the Cover” section. The featured cover artwork should be referred to as an “LCC Badge” not an “LCC Coat of Arms.”

These errors, along with some minor spelling mistakes, have been corrected in the 2023 version of the book available through Amazon.
