

As we continue our series on Christology, we cannot bypass the Cross. Is it just a pendant people wear, a mere symbol for the Church . . . In today's *Conversation*, the Director of Communications (Dr. T) looks closely at the Cross with Rev. Dr. Richard Beinert:

**Dr. T:**                    *What does the Cross actually mean?*

**Rev. Beinert:**    Hear what Rev. Dr. Richard Beinert has to say [here](#).

*Rev. Dr. Richard Beinert is the pastor of St. James Lutheran Church in Manitoba. He holds a PhD in Historical Theology.*

We value your participation in the *Conversations* and take your questions to heart. As your questions continue to come in, we begin a new series in the next *Conversation*, continuing our journey back to the basics . . .
