6.2. Our Mission Together One

LCC's mission is to serve, strengthen, and equip congregations for bold, faithful, Christ-centred witness. How would providing funding for this organization/congregation further that mission?

- Also consider including information on the uniqueness of this situation. Would funding provide support for an unusual setting or fill a specific need that is not otherwise being met (E.g. a remote location or an isolated language group)?
- Include any other information that someone unfamiliar with your parish/city/circuit might need to know in order to make an informed decision about possible funding.

Attach as many pages as needed to explain.

6.3. Your Mission & Ministry Story

1. What have been your blessings in mission and ministry? - Short term (up to 12 months) and long term?

2. What have been your opportunities in mission and ministry? - Short term (up to 12 months) and long term?

3. What have been your challenges in mission and ministry? - Short term (up to 12 months) and long term?

4. Is there anything else that you think is important for the RMMC to know about your context as they prayerfully consider your request for financial assistance?
