

If you missed last week's entry, here's what Rev. Tom Kruesel had to say about how we can – in fact 'be holy'. For that piece of knowledge, we give thanks because we realize it's not on us! We are justified by grace. . . and someone asked the enduring Lutheran question: what does this mean? The Director of Communications (Dr. T) puts that foundational question to Rev. Michael Schutz in today's Conversation.

Dr. T: What does "justified by grace through faith" really mean?

Rev. Schutz: Listen to *the Conversation* here.

Rev. Michael Schutz *serves as Lead Pastor of Concordia Lutheran Church in Penticton, BC, the former Vice-President of Lutheran Church–Canada and current Regional Pastor for the West Region.*

He returns next week to answer another foundational question. Join us in the next Conversation, as we continue our journey back to basics.
